Staging and renovation

TWO WAYS TO TUNE

Staging — make it desirable

Your place works, but it's not wow. We elevate it — styling, fixes, the details guests notice and photos love — so it stands out and books.

Renovation — flip it on a dime

Guest-ready fast without overspending. High-impact, budget-smart changes that get you listed and earning quickly.

HOW IT WORKS

1

Consultation — \$250

We walk your property, learn your goals and budget, and hand you a clear written plan plus one flat quote. Move ahead and the \$250 comes off your project cost.

2

Visualization

See it before the work begins — mock photos of roughly how your place will look, plus one round of changes to match your taste.

3

The work

We bring in the crew and get it done — one flat quote, no hourly surprises. Our goal is to keep it as affordable as possible, start to finish.
